Cycling and public transport

On trains, a bicycle ticket must be purchased for each trip, at a cost of \$1. Carrying of bicycles on board trains is dependent on space and at the discretion of onboard staff. Avoid travelling with bicycles at peak times, as space will be limited. Please contact Connex Auckland on 09 969 7777 for more information.

Bicycles can be carried on most ferry services for free. The West Harbour Ferry, Harbour Cruise, Rangitoto Island and Titi Marangi Island ferries are the exceptions.

Bicycles cannot be taken on any bus services (unless it's a folding bike).

For public transport information, contact MAXX on 09 366 6400 or at www.maxx.co.nz

Off road cycling

Check out mountain biking opportunities in Auckland Regional Council's regional parks by calling 09 366 2000 or visit www.arcc.govt.nz. Mountain biking is also possible in Woodhill, Riverhead and Whittford - www.bikepark.co.nz
